

MTI – GKMC/BKMC SWABI

A SWIFT RADICAL CHANGE

(April – July, 2021)

Dr. Sahibzada M. Khalid

A journey of one thousand miles begins with a single step and that swift step has been taken and positive change has been brought within limited time. Few reflections below:

- ✓ **MANAGERIAL STAFF HIRED**, their offices established and started functioning with full zeal and zest.
- ✓ Newly Government Agenda for the benefit of masses - **SEHAT SAHULAT PROGRAM** on the go.
- ✓ **INSTITUTIONAL BASED PRIVATE PRACTICE** (IBPP) started in evening to provide all the medical facilities under one roof to facilitate the ailing population.
- ✓ State of Art **DIALYSIS UNIT** established and made functional as was the much awaited demand of the community.
- ✓ OPD Renovated.
- ✓ **MASS COVID-19 VACCINATION** started in two shifts – Morning & Evening shift. More than 500 people are vaccinated on daily basis.
- ✓ **PLANTATION DRIVE** made successful: more than 650 plants
- ✓ **CONSTRUCTION OF ROADS within the hospital.**
- ✓ Issuance of **HEALTH ALERTS** to the public.
- ✓ **WEEKLY NEWS UPDATES** for staff & public awareness.
- ✓ **DAILY DISSEMINATION OF DATA:** Vaccination, COVID-19 bed Occupancy, Oxygen Consumption, COVID – 19 Test Processing.

Thanks to Hospital Director for Guidance
