### Editorial

## THE LAST MESSENGER OF ALLAH

محمد ﷺ

وَمَا أَرْسَلْنَاكَ إِلَّا رَحْمَةً لِّلْعَالَمِينَ

We sent thee not, but as a Mercy for all creatures

لَقَدْ كَانَ لَكُمْ فِي رَسُولِ اللَّهِ أُسْوَةٌ حَسَنَةٌ

Ye have indeed in the Messenger of Allah a beautiful pattern (of conduct)

وَإِنَّكَ لَعَلَىٰ خُلُقٍ عَظِيمٍ

And indeed, you are of a great moral character

### IN THE EYES OF NON-BELIEVERS

In the name of Allah Who states **"Muhammad is not the father of any of your men, but he is the Messenger of God and the Last of the Prophets".**

As we celebrate the birthday of this great Prophet, it is imperative to remind the world views of judicious Western scholars about him:

**Sir George Bernard Shaw** said in 'The Genuine Islam,' Vol. 1, No. 8, 1936, "If any religion had the chance of ruling over England, nay Europe within the next hundred years, it could be Islam."

**Dr. Keith L. Moore**, Department of Anatomy and Cell Biology. University of Toronto, Canada says, "It has been a great pleasure for me to clarify statements in the Qur'an about human development. It is clear to me that these must have come to Muhammad from God, because most of this knowledge was not discovered until many centuries later. This proves to me that Muhammad must have been a messenger of God"

**Michael Hart** in 'The 100, A Ranking of the Most Influential Persons In History,' New York, 1978 says, "My choice of Muhammad to lead the list of the world's most influential persons may surprise some readers and may be questioned by others, but he was the only man in history who was supremely successful on both the religious and secular level."

**Bosworth Smith**, Mohammed, and Mohammedanism, London 1874, p. 92 says, "He was Caesar and Pope in one; but he was Pope without Pope's pretensions, Caesar without the legions of Caesar: without a standing army, without a bodyguard, without a palace, without a fixed revenue; if ever any man had the right to say that he ruled by the right divine, it was Mohammed, for he had all the power without its instruments and without its supports."

### Academic Council Meeting

A meeting of Academic Council was conducted at the conference of MTI GKMC Swabi under the Chairmanship of prof. Dr. Shams Ur Rehman Dean MTI GKMC on October 8, 2021. All Administrative tiers attended the meeting. Thorough deliberations were made upon many contemporary issues and resolutions, rectifications and other corrective measures

### BLOOD DONAR SOCIETY

A meeting of Blood Donor Society was conducted at the office of Dean prof. Dr. Shams Ur Rehman under his Chairmanship deliberated upon the role of society in provision of blood for extraction of platelets for Dengue patients. They discussed the opportunity from planning to execution level and a memorandum of understanding will be carried out if deemed necessary..

### Disease Surveillance & Response Unit Workshop

The workshop was chaired by the honourable District Health Officer Swabi – **Dr. Basit Saleem**. It was facilitated by Dr. Ikram & Dr. Qasim. Outbreak identification, declaration and response was discussed in detail apart from the entries in the software for ready reference. Dr. asim Ali Shah participated therein the workshop as Focal Person from MTI-GKMC/BKMC Swabi.

### GROWTH IN OUR DNA

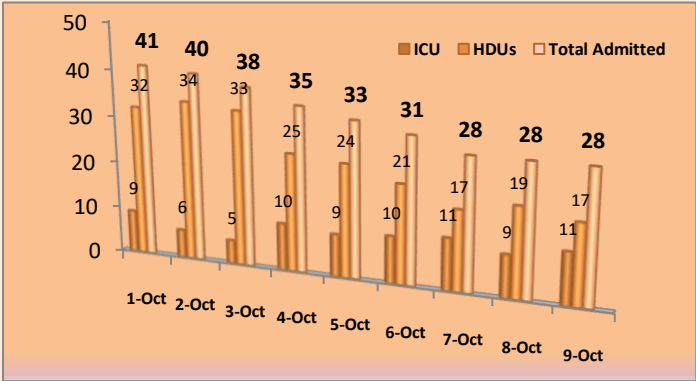

Nurses are unique for versatile services and have this insatiable need to care for others, which is both their greatest strength and fatal flaw. Their deficiency was noticed since long. The MTI – GKMC/BKMC Swabi took serious note of the issue and started interviewing the candidates applied for the vacant positions to be selected on merit.

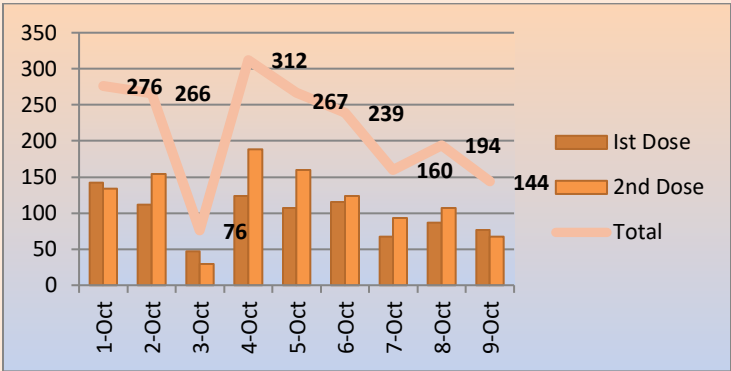

A large number of candidates predominantly male nurses applied for the vacant positions and their interviews were conducted in three consecutive dates commenced from October 05, 2021. Total 275 candidates interviewed in 3 days for 84 vacant positions of Charge Nurses. The Selection Committee is in progress of merit list.

# METAPHYSICAL FLAVOUR

## LOVE UNEXPLAINED IS BETTER

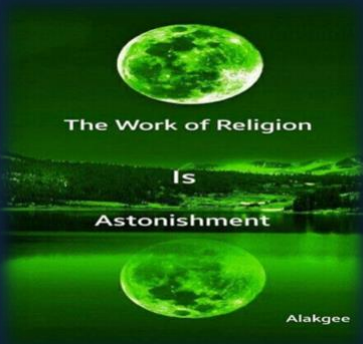

Love is one of the mystery of  
God.

You may call it this or that.

All assemble in One.

How much could be  
described and explained ?

So, Love unexplained is better.
